A Brief note on how to login to our moodle^{*}

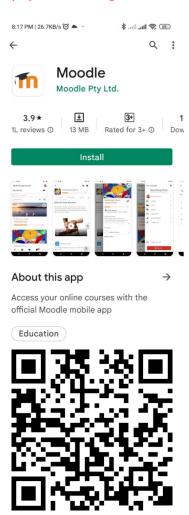

Dr. Sreevalsan T Associate Professor(and Head) Department of Malayalam Government College Chittur Dr. Prasanth G.N Assistant Professor Department of Mathematics Government College Chittur

June 29, 2022

Abstract

This article explain briefly how one can enter into their moodle site and create courses and related ideas. This is only an insight how to use the Learning Management System.

• Either scan the QR-code below (if you are using mobile and moodle is installed) or the url

• To login click on https://chitturcollege.ac.in/lms-portal/

• To add the participants to your course click on the participant tab. It will be better you enrol yourself for your course. Also see that leftside pane and the items.

• To enrol students click on the enrol tab. You can also enrol yourself here. Also simply by adding the cohorts you can add your students to the course. The cohort details will be given

• Two types of enrolment methods are given

- A cohort can be identified as follows:First "two letters" shows the course, second three: "the department" and next two "the year of admission" final three "the language" which the student is studying.
 - Those teachers who teach main/complimentary/english "take care" to add those cohorts which in this form: XX_YYYZZ; where XX is the course (UG/PG), YYY is the main subject of the student and ZZ is the year of admission.
 - Those teachers who teach second language "take care" to add those cohorts which in this form:
 XX_YYYZZ_WWW; where XX is the course (UG/PG), YYY is the main subject of the student,
 ZZ is the year of admission and WWW the second language of the student.
