## ICT FACILITIES

All departments are having multimedia projectors and smart boards and teachers are using them as far as possible. The students have access to internet both in their departments and in the internet lab. Library service of the college is mostly digitalized with KOHA software and students are becoming familiar with the same. Library books are tagged with RFID and efforts are taken to provide RF tagged ID cards to students so that the library will be fully automatized. Students are encouraged to use online resources for keeping touch with the latest developments in their fields of interest. All students are given access to e-journals through the Infflibnet. The students are advised for power point presentation and they are becoming familiar with the ICT facilities. The laboratories in the departments are well equipped to meet the requirements of the syllabus

## DEPT. OF CHEMISTRY

**Sanitizer Production during the Pandemic period:** During the pandemic period, the Dept, of Chemistry, Govt. College, Chittur offered a valuable contribution to the society. The teachers and students of the Department took part in the process of sanitizers at low cost, utilizing the chemicals available in the Department. These were supplied to the staff of the College as well as students.

**Production of handmade Sanitary cleaners:** Sanitary cleaners play a crucial role in maintaining cleanliness, hygiene, and overall health in various environments, such as homes, workplaces, healthcare facilities, public spaces, and more. Moreover, handmade products can sometimes be more affordable compared to mass-produced alternatives. People who are price-conscious may find value in supporting student-made sanitary cleaners that offer cost-effective options. The Department of Chemistry utilized the Department fund as well as advance from the College PTA to produce sanitary cleaners which were named as “Reniger”. This aimed to provide students with practical skills and financial opportunities through hands-on experience in the production of sanitary as well as floor cleaners.

## DEPARTMENT OF ENGLISH

1. **The Shades 2.0 Film Festival And Photographic Exhibition In Collaboration With The Kerala State Chalachithra Academy:** The Department of English, Government College Chittur in collaboration with Kerala State Chalachitra Academy organised second edition of Film Festival on three consecutive days: 31 January, 1st and 2nd of February, 2023.

This program was conducted as a part of 75th anniversary celebrations of the college. The aim of the fest was intended for the students and the public to explore new cultures on the screen and uphold inclusivity while inculcating the culture of watching movies. The two-day film festival screened 12 films.

The Photo exhibition of rare photographs that form milestones in the history of Malayalam cinema was very informative and gave a glimpse into the scenes from behind the screen. The program was attended by more than a thousand people ranging from school students to the golden agers. It was inaugurated by Sri. Shekhar Kavasseri, veteran film director and there were talks by Dr. Sheeba K, Associate Professor, Dept of English (“Censorship: The Indian Question”) and Smt. Jolly Chirayath, Film Actor.

## 6. ACADEMIC AND CULTURAL LECTURE SERIES

The Academic and Cultural lecture series of the Department of English, along with the other clubs, was inaugurated by Dr. Janaki Sridharan, Head of the Department of English, University of Calicut on August 13, 2021. She spoke on the relevance of *Literary studies: The Why and How*. She clarified with ample examples how one should approach literature as a student. The talk was very lively and the students responded with gusto.

The first program of Literaria , The Literary Club of The Department of English *Meet the Poet*, was held on August 18, 2021, where the students interacted with the renowned Malayalam poet, Ammu Deepa. In her talk, she spoke about her poetry, the images, its inception, gender, etc. The students had a large number of questions to ask to which she replied very patiently and clearly.

Another programme was the talk by Dr. M. N. Parasuraman, Associate professor of English, Govt. Women's College, Thiruvananthapuram. He delivered a talk entitled "Feminism: An Introductory Survey" which was well appreciated by the audience.
