## FINANCIAL ASSISTANCE POLICY

This policy is the outcome of the college's commitment to provide financial support and services to those who are in dire need of it.

### Objectives

- This assists eligible students, who are financially backward, to avail the opportunities to attain their academic objectives.

- Teachers are assisted to attend seminars or workshops The following are the important highlights of the policy

- It ensures accessibility to higher education for students who have financial constraints
- This policy promotes inclusivity and equity within the college community
- Through this policy, the needy and economically backward students are provided assistance to build homes

- To conduct financial literacy workshops and provide prompt resources to boost their monetary managing capabilities and responsibilities

GOVT COLLEGE  
CHITTUR

- A financial committee is constituted to oversee the appropriate allocation of funds and monitor the dynamics of the implemented policy
- Regular monitoring of the effectiveness of the financial support programs in aiding the students' needs and to help achieve their goals will be materialized
- Provides opportunities for the students to support themselves through the “Earn While You Learn” initiative that assists the students to find alternate sources of income without disrupting their academic pursuits
- The faculties are assisted financially to attend seminars or workshops

This financial policy underlines the college's commitment to providing affordability, accessibility, and equal opportunity in the pursuit of higher education. This engenders an empowering streak among individuals from heterogeneous backgrounds to realize their aspirations.
