About The College

Government College, Chittur is the educational institution established on 11 August 1947 located in Chittur, Palakkad, Kerala, by Cherubala Karunakara Menon, ICS, Devan of erstwhile Cochin state. Initially college was under the University of Madras and got affiliated to Travancore University in 1949. Later the college is affiliated to the University of Calicut in 1968 and recognized as a special-grade college under the Department of Collegiate Education. Around 2000 students are studying in the college with 15 UG courses, 7 PG courses and 5 Research programmes.

Vision : To provide students a nurturing environment to the acquisition of knowledge and outlook that will enable them to tread the path trodden by great people.

Mission : To provide a wholesome education in various disciplines

About The Department

The history of the department dates back to 1947, when the college came to begin on 11th August 1947. The built up area of department is 5000 Sq feet. The course of study was only at the intermediate level and affiliated to the Madras University. Commerce was offered as a course of study during the academic year 1951-52 by Travancore University. The College was granted affiliation by the Kerala University in 1957. During the year 1956-57, the intermediate course was replaced by the pre-university course. In 1963, the college was affiliated to the University of Calicut and in 1964; the pre- university course was replaced by the pre-degree course in 1964. The last batch of PDC students turned out in 2003-04, with the de-linking of the Pre - Degree course from colleges to Higher Secondary School Level. Post Graduate Course in Commerce was sanctioned by the University of Calicut in 1971 and the M.Com Course was introduced in the College in 1971-72.

The Department of Commerce has a glorious past spanning over 75 years and is one of the oldest commerce departments functioning in Kerala. The department at present offers a Six Semester degree course with co-operation as the elective subject and 4 semester M.Com course with financial management as the elective. Currently 89 per cent of students are females. At present there are 7 faculty members catering to the academic needs of the department. In the past 75 years of journey, the department could produce many professionals, entrepreneurs and eminent academicians

About The Course

Post Graduate Department of Commerce, Govt College Chittur started Statistical Package for Social Sciences (SPSS) Add-On-Course "FOUNDATION COURSE ON SPSS " from the academic year 2015-16 for the final year Degree or Post Graduation pursuing students in Affiliated colleges under University of Calicut. The main objective of this course is to enable participant's to develop competency in doing research and apply it in their academic career and future. The course intends to provide detailed practical knowledge on SPSS. It helps students in acquiring data handling and analysis skill in statistical analysis. A self-learning material prepared by the resource person is provided for the candidates. The department shall conduct examination out of 100 marks giving equal weightage to lab and theory concepts. After the examination department also distribute certificates to the eligible students. The duration of the course was 30 hours. The course is divided into 50% theory sessions and 50% lab work. The data analysis session on SPSS is handled in Lab for better practical and hands on experience.

About The College

Government College, Chittur is the educational institution established on 11 August 1947 located in Chittur, Palakkad, Kerala, by Cherubala Karunakara Menon, ICS, Devan of erstwhile Cochin state. Initially college was under the University of Madras and got affiliated to Travancore University in 1949. Later the college is affiliated to the University of Calicut in 1968 and recognized as a special-grade college under the Department of Collegiate Education. Around 2000 students are studying in the college with 15 UG courses, 7 PG courses and 5 Research programmes.

Vision : To provide students a nurturing environment to the acquisition of knowledge and outlook that will enable them to tread the path trodden by great people.

Mission : To provide a wholesome education in various disciplines

About The Department

The history of the department dates back to 1947, when the college came to begin on 11th August 1947. The built up area of department is 5000 Sq feet. The course of study was only at the intermediate level and affiliated to the Madras University. Commerce was offered as a course of study during the academic year 1951-52 by Travancore University. The College was granted affiliation by the Kerala University in 1957. During the year 1956-57, the intermediate course was replaced by the pre-university course. In 1963, the college was affiliated to the University of Calicut and in 1964; the pre- university course was replaced by the pre-degree course in 1964. The last batch of PDC students turned out in 2003-04, with the de-linking of the Pre - Degree course from colleges to Higher Secondary School Level. Post Graduate Course in Commerce was sanctioned by the University of Calicut in 1971 and the M.Com Course was introduced in the College in 1971-72.

The Department of Commerce has a glorious past spanning over 75 years and is one of the oldest commerce departments functioning in Kerala. The department at present offers a Six Semester degree course with co-operation as the elective subject and 4 semester M.Com course with financial management as the elective. Currently 89 per cent of students are females. At present there are 7 faculty members catering to the academic needs of the department. In the past 75 years of journey, the department could produce many professionals, entrepreneurs and eminent academicians

About The Course

Post Graduate Department of Commerce, Govt College Chittur started Statistical Package for Social Sciences (SPSS) Add-On-Course "ADVANCED COURSE ON SPSS " from the academic year 2015-16 for the final year Degree or Post Graduation pursuing students in Affiliated colleges under University of Calicut. The main objective of this course is to enable participant's to develop competency in doing research and apply it in their academic career and future. The course intends to provide detailed practical knowledge on SPSS. It helps students in acquiring data handling and analysis skill in statistical analysis. A self-learning material prepared by the resource person is provided for the candidates. The department shall conduct examination out of 100 marks giving equal weightage to lab and theory concepts. After the examination department also distribute certificates to the eligible students. The duration of the course was 35 hours. The course is divided into 50% theory sessions and 50% lab work. The data analysis session on SPSS is handled in Lab for better practical and hands on experience.

SYLLABUS

Course Code: SOL-1/UG

Course Duration: 30 hrs

OBJECTIVES:

- Understand the structure and physical features of the Earth and the Sun
- Understand and apply the basics of celestial mechanics and space dynamics
- Understand the large-scale features of the Universe

PRINCIPAL
GOVT. COLLEGE
CHITTUR

Syllabus

Unit I: The Earth and the Sun 10 hrs

Gross properties of the Earth, Internal structure of the Earth, The terrestrial atmosphere, The Earth's magnetic field, Motions of the Earth, Vital statistics of the Sun, The Structure of the Sun, Sunspots and solar cycle, other features of Solar activity.

Unit II: Space dynamics 10 hrs

Law of Universal Gravitation, Kepler's laws, The Solar system, Rocket propulsion, Artificial satellites, Lunar and Planetary probes

Unit III: Our Universe 10 hrs

Astronomy and cosmology, From Herschel to Hubble, Stars – their structure, Galaxies, Quasars, Structures on the largest scale; The birth and death of the universe

About the course

The Department of Mathematics is happy to announce that a certificate Course 'MathMastery: Elevate your competitive edge' (Mathematics for Competitive Exams) for the students of the college, will begin on 15 October 2019. This 30-hour course is designed to equip you with the mathematical prowess needed to excel in competitive examinations. In today's fiercely competitive world, where every mark counts, mastering mathematics is not just an advantage, but a necessity. Regular mock tests and assessments will be conducted. Certificates will be given to those who successfully complete the course with a minimum of 85% attendance. The number of students is restricted to 30. The last date for registration is 10 October 2019.

Venue: Mathematics Library
Mode: Offline sessions
Time: 3.30 pm- 4.30pm

**MATHMASTERY: ELEVATE
YOUR COMPETITIVE EDGE
(Mathematics for
Competitive Exams)**

Objectives of the Course:

The course intends to equip the students with basic numeric and arithmetic skills.

Module 1: Algebra of Numbers (10 hours)

Number system, Decimals, Fractions comparison of numbers, BODMAS rule Square roots and Cube Roots, LCM and HCF

Module 2: Applications (10 hours)

Time and Work, Time and Distance Simple and Compound Interest, Profit and Loss, Area, Perimeter and Volume

Module 3: Elementary Statistics (10 hours)

Arithmetic and Geometric Progression Arithmetic mean, Median, Mode, Bar diagram, Pie diagram

DEPARTMENT OF MATHEMATICS
CERTIFICATE COURSE
IN
MATHEMATICS FOR COMPETITIVE EXAMS

A course in Mathematics for Competitive Exams will help the students to acquire basic numeric and arithmetic skills that are useful for a wide range of career choices. Analysing a given data and answering questions related to the data is an integral part of many competitive exams. Topics on basic Statistics will enable the learners to answer these questions. This will give you an edge over other job applicants in fields such as business, social and public services, sales and marketing.

OBJECTIVES:

1. To improve the basic arithmetic and numeric skills.
2. To manage their time effectively during exams
3. A solid understanding of all the mathematical concepts commonly tested in competitive exams.
4. Mock tests simulate the exam environment, helping students familiarize themselves with the format and timing of the actual exam.

DURATION:

2 MONTHS

AT THE END OF THE COURSE, YOU WILL BE ABLE TO

- Classify numbers as integers, rational numbers and irrational numbers
- Represent rational numbers as decimals and fractions
- Compare two rational numbers
- Factorize numbers and find the factors and divisors of numbers
- Solve problems using ratio and proportion
- Evaluate profit and loss percentage in transactions
- Relate time and work done, time and distance

Course Objectives:

1. To introduce students to the philosophy and principles of yoga as a holistic lifestyle practice.
2. To provide a comprehensive understanding of various yoga techniques, including asanas (poses), pranayama (breathing exercises), and meditation.
3. To explore the physical, mental, and spiritual benefits of practicing yoga regularly.
4. To examine the historical and cultural roots of yoga and its evolution into modern-day practices.
5. To foster self-awareness and mindfulness through experiential learning and reflective practices.
6. To equip students with practical tools and strategies for integrating yoga into their daily lives for improved well-being.
7. To encourage critical thinking and inquiry into the ethical considerations and social implications of yoga practice.

Course Outcomes:

1. Students will develop a deep understanding of the foundational principles of yoga philosophy and its application to holistic living.
2. Students will demonstrate proficiency in various yoga techniques, including asanas, pranayama, and meditation, through regular practice and assessment.

PRINCIPAL
GOVT. COLLEGE

3. Students will articulate the physical, mental, and spiritual benefits of a consistent yoga practice based on personal experience and scholarly research.
4. Students will analyze the historical, cultural, and contemporary contexts of yoga, recognizing its diversity and adaptability across cultures and societies.
5. Students will cultivate self-awareness, emotional regulation, and mindfulness through reflective practices and self-inquiry.
6. Students will design and implement personalized yoga routines tailored to their individual needs and goals for enhancing overall well-being.
7. Students will evaluate the ethical considerations surrounding yoga, including issues of cultural appropriation, commercialization, and accessibility, and propose solutions for creating inclusive and socially responsible yoga communities.

Syllabus

Module-1

Introduction to Yoga Philosophy: The foundational principles of yoga philosophy, including concepts such as the eight limbs of yoga (Ashtanga), the interconnectedness of mind, body, and spirit, and the pursuit of inner harmony through self-awareness and self-realization.

Module-2

Yoga Asanas and Pranayama: The physical aspect of yoga, exploring various yoga postures (asanas) and breathing techniques (pranayama) that promote physical health, mental clarity, and emotional balance. Participants can learn

PRINCIPAL
