INTERNSHIP REPORT

As part of the internship we were assigned to do the PTE work (day book work). We would like to thank Assistant professor Pradheesh kunju for letting us give another chance of doing the internship as we couldn't be a part of the internship in the cooperative society.

PTE deals with the cash and other transactions related to the expenses & incomes that occur as part of the college activities.

We started our work in the 2nd week of January & could complete the entire work by 2nd week of February (14/2/23). We were assigned to do the DAY book of PTE of the academic year 2022-23.

We would like to thank Dr. Manu chakravarthy for helping us to understand the work that has to be done. We had to use vouchers, receipt books & bank statements to prepare the day book. The voucher consisted of all expenses incurred & other cash outflows. Some transactions in the vouchers were regular on a monthly basis like paying salary to the security, paying salary to PTE assistant worker & other expenses that had been incurred as part of maintenance of the college. The receipt book consisted of all cash inflows. Some transactions were cash in hand & some transactions were through the bank. It also had all the money received by the college as part of UG & PG admission.

We were given the bank statement as some transactions (amount credited to SBI a/c) that are not recorded in the day book. During the internship I could indeed use the skills that I had learned as a commerce student into practice. I think it will definitely benefit me with my career opportunities in the future as working skills are more important than the theoretical knowledge gained as a student.

The overall experience was positive and we would like to thank Assistant Professor. Pradeesh kunja & Dr. Manu chakravarthy for helping us complete our internship.

1. A brief history of my cooperative society

Our Society is the 1st society to be registered. It is registered under 1904 Act. It started its function on 1/12/1912 and came into force on 13/3/1913. The first President of this Society was Velutharakan. Our Society has completed 110 years on Dec 2022. It was first started with the name of United Monetary Union. And in 1998 Manjeri Urban bank decided to amalgamate with our society and due to some issues RBI cancelled the amalgamation. And due to the strict rules of RBI society's license was cancelled in 2000. During that time administrator had the authority and it was then changed into Koduvayoor Urban credit society and till now it is been working in that name. It is the main branch and it has two branches in Thathamangalam and Oota. Its major functions are Accepting deposits, Granting loans and chity. The society is running in a loss and it is trying its maximum to introduce different methods to reduce their loss. As part of improving chity, for 1000000 was passed and it will be introduced by 25/1/2023. Their share value is at the beginning was ₹3 and now it is ₹100.
