

GOVERNMENT COLLEGE CHITTUR

PARENT FEEDBACK

ACTION TAKEN REPORT 2022 - 23

The institution conducts parents meeting at least once in a Year department wise and in addition to it at the end of year , an annual meeting of parents is arranged for evaluating performance of teaching, non teaching members and method of governance, effectiveness of resources and activities offered at institution. The role of Parents in functioning of institution is instrumental and the remarks and valuable suggestions are incorporated in policy framework. The institution maintains cordial relationship with parents and they are respected to give fruitful suggestions to the effective functioning of institution.

The feedback form from parents are collected online form with multilingual wordings so that they won't be in difficult situation to understand and respond as expected.

Th feedback from Faculty is collected every year and suggestions are presented in college council and implemented for benefits of Students community and suitable changes are effected in method of learning and teaching and interactions with students. With respect to amenities, facilities required as suggested by parents are represented before government and sincere effort is taken to materialise the requirement as expected by parents.

The feedback comprises of 12 components as given below

| EVALUATION CRITERION |
|--|
| Transparency and fairness in admission Procedure |
| Work culture in college |
